

International Journal on Information Technologies and Security

Web-site: ijits-bg.com

IJITS is an international peer-reviewed journal published in English. The journal policy is to publish articles that emphasize research, development and applications within the fields of information technologies, information security, security policy and innovation policy.

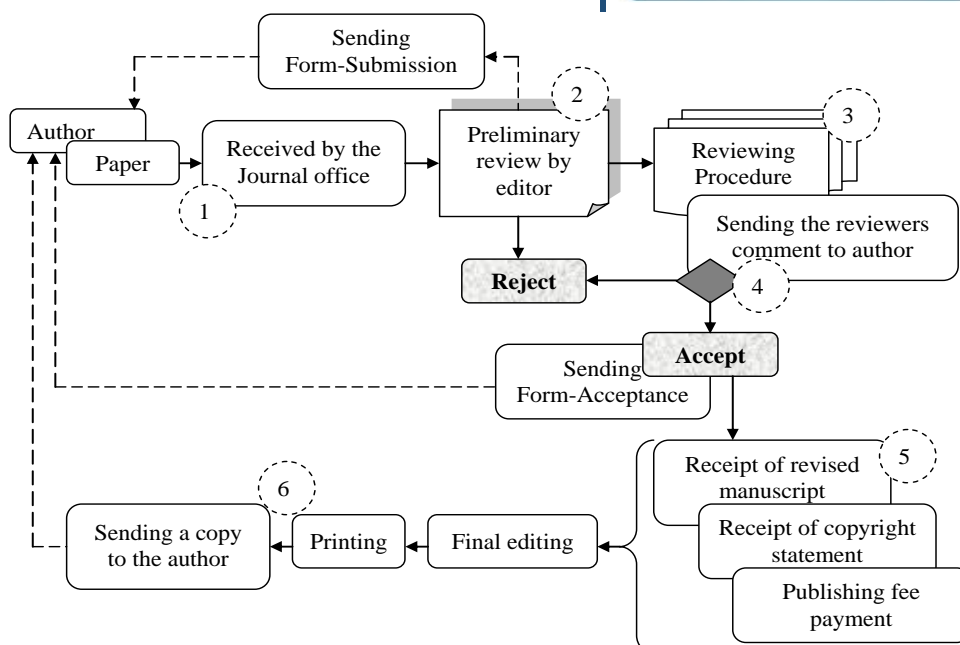

Authors are encouraged to submit high quality, original works (theoretical and application-based studies) that have not been published or accepted for publishing by other journals. Full and extended versions of articles presented during the conferences and symposiums could also be submitted but the paper submitting to the journal should differ from the previously published material by at least 50 percent.

All information about submission, reviewing, accepting, publishing fees, deadline, etc. is published in the sections of the journal web site

Publishing Procedure

Sections and Topics (but not limited)

- Section **Information Technologies**
(*Networking and Distributed Technologies; Program Technologies and Data Management; Technologies for Automation of Engineering and Research; Intelligent Systems and Knowledge-Based Technologies; Technological Aspects of e-Governance; Technological Aspects of Personal Data Protection; etc.*)
- Section **Information Security**
(*Computer and Network Security; Cryptographic Algorithms and Protocols; Biometric Identification; Digital Rights Management Systems; Wireless Security; etc.*)
- Section **Security Policy**
(*Energy Security; Peace Research; Conflict Research; Disarmament, Arms Control and Risk Technologies; Non-proliferation of WMD; International Terrorism; Security Sector Reform; etc.*)

Manuscript Sending

Authors should submit by e-mail an electronic version of the paper as a MS Word 2003 file to the corresponding member of the Technical Board depending on the thematic section. Research articles are usually 8 to 12 pages long. In special cases, shorter or longer articles may be accepted.

Authors are requested to follow the journal guidelines for preparing their manuscripts. An article sample template **TEMPLATE_Journal-IT&S.doc** can be found in the journal web-site (section "Authors' Guidelines"). The manuscript should be accompanied by a separate file with an additional information (Please, download the file **IJITS_Form-1_Submission.doc** from the section "Paper Submission" of the web-site)

Manuscript Reviewing and Acceptance

Each submitted manuscript will be reviewed by two independent reviewers (experts in the field) and the corresponding author will be informed for the result. A third reviewer could be used if the first two reviews have quite different statements concerning acceptance. The corresponding author will be informed about decision and for the next steps of the publishing procedure (Please, visit the journal web-site for more information).

Copyright

Upon acceptance of the article, author(s) will be asked to transfer copyright of the article to the publisher. This transfer is required for dissemination the issues of the journal in printed and electronic version to the libraries and scientific databases (see the last page).

Deadlines (dates are fixed for issue printing only)

Issue:	No 1	No 2	No 3	No 4
Deadline for paper submission*	January 15 th	April 15 th	July 15 th	October 15 th
Publishing	1-10 March	1-10 June	1-10 September	1-10 December

* Submission is regular, but an accepted paper could be included in the one of the next issues based on the strategy FCFS (First Come First Served).

International Conference on Information Technologies (InfoTech-2018)

• Forum

32nd International Conference on Information Technologies (e-conference)

20-21 September 2018

St. St. Constantine and Elena resort BULGARIA

InfoTech-2018 will be organized as a combined format:

1. Preliminary discussion on submitted reports by using virtualization on the conference web site from 15 July 2018 to 15 August 2018.
2. Presentation on site during conference sessions at 20-21 September 2018.

The forum is organized in the frame of "Days of the Science of Technical University-Sofia, 2018"

InfoTech is an international forum for scientists, researchers, industrial experts to share innovations, experience and new research results in the fields of Information Technologies and Information Security; Technologies for System Design and Intelligent Systems; Technological Aspects of e-Governance and Data Protection, etc. The forum is a successor of International Conference on Systems for Automation of Engineering and Research (SAER), established in 1987 and International Workshop on e-Governance and Data Protection (EGADP), established in 2005.

For more information (CFP, Application, Sections, etc.) please, visit conference web site

InfoTech-2018
is the 32nd issue of the
traditional scientific
conference established
in year 1987.

TWO PHASES OF THE CONFERENCE

Phase [1]: Virtual e-Forum organization with distance discussion based on the Conference web site during the period 15 July – 15 August .2018

Phase [2]: Conference opening and brief presentation of all accepted reports in sections, organized in a conference hall in the International Home of Scientists in St. St. Constantine and Elena resort, near the city of Varna, 20-21 September 2018

REGISTRATION & PARTICIPATION

For a late participation with report(s) and registration please, contact by e-mail below. Some selected best papers will be proposed for publishing in special section of IJITS.

e-mail for contact: : rom@tu-sofia.bg.
