International Journal on Information Technologies and Security

Web-site: ijits-bg.com

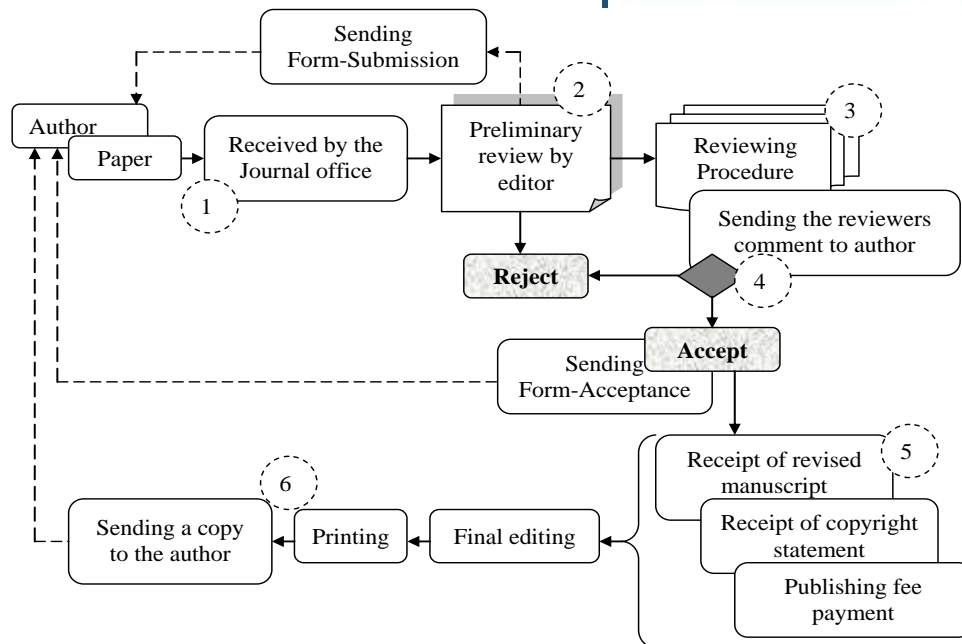

IJITS is an international peer-reviewed journal published in English. The journal policy is to publish articles that emphasize research, development and applications within the fields of information technologies, information security, security policy and innovation policy.

Authors are encouraged to submit high quality, original works (theoretical and application-based studies) that have not been published or accepted for publishing by other journals. Full and extended versions of articles presented during the conferences and symposiums could also be submitted but the paper submitting to the journal should differ from the previously published material by at least 50 percent.

All information about submission, reviewing, accepting, publishing fees, deadline, etc. is published in the sections of the journal web site

Publishing Procedure

Sections and Topics (but not limited)

- Section **Information Technologies**
(*Networking and Distributed Technologies; Program Technologies and Data Management; Technologies for Automation of Engineering and Research; Intelligent Systems and Knowledge-Based Technologies; Technological Aspects of e-Governance; Technological Aspects of Personal Data Protection; etc.*)
- Section **Information Security**
(*Computer and Network Security; Cryptographic Algorithms and Protocols; Biometric Identification; Digital Rights Management Systems; Wireless Security; etc.*)
- Section **Security Policy**
(*Energy Security; Peace Research; Conflict Research; Disarmament, Arms Control and Risk Technologies; Non-proliferation of WMD; International Terrorism; Security Sector Reform; etc.*)

Manuscript Sending

Authors should submit by e-mail an electronic version of the paper as a MS Word 2003 file to the corresponding member of the Technical Board depending on the thematic section. Research articles are usually 8 to 12 pages long. In special cases, shorter or longer articles may be accepted.

Authors are requested to follow the journal guidelines for preparing their manuscripts. An article sample template **TEMPLATE_Journal-IT&S.doc** can be found in the journal web-site (section "Authors' Guidelines"). The manuscript should be accompanied by a separate file with an additional information (Please, download the file **IJITS_Form-1_Submission.doc** from the section "Paper Submission" of the web-site)

Manuscript Reviewing and Acceptance

Each submitted manuscript will be reviewed by two independent reviewers (experts in the field) and the corresponding author will be informed for the result. A third reviewer could be used if the first two reviews have quite different statements concerning acceptance. The corresponding author will be informed about decision and for the next steps of the publishing procedure (Please, visit the journal web-site for more information).

Copyright

Upon acceptance of the article, author(s) will be asked to transfer copyright of the article to the publisher. This transfer is required for dissemination the issues of the journal in printed and electronic version to the libraries and scientific databases (see the last page).
