

International Journal on Information Technologies and Security

Website: ijits-bg.com

IJITS is an international peer-reviewed journal published in English. The journal policy is to publish articles that present research with novelty and author's contribution in the field of information technology, information security and security policy with a clearly defined relevance to the scope of IJITS.

Authors are encouraged to submit high quality, original works (theoretical and application-based studies) that have not been published or accepted for publishing by other journals. Full and extended versions of articles presented during the conferences and symposiums could also be submitted but the paper submitting to the journal should differ from the previously published material by at least 50%. Submitted articles are checked for similarity.

All information is available at the IJITS website.

Before submission it is necessary to visit the sections "Submission+" from IJITS-website.
